

# Faculty of Arts and Science Strategic Plan

## GUIDING Principles

- Equity, diversity, and inclusion including anti-racism, decolonization and Indigenous resurgence
- Excellence in teaching, research and service
- Transparency, accountability and fairness
- Continuous learning, professional development and global engagement

To become a university for the 21st century.

# 10 Examples of 50 Initiatives

- 1** Expand our community partnerships and engagement to deliver experiential learning
- 2** Create an on-campus academic spring / summer term (credit / non-credit)
- 3** Revise degree requirements to include a required course from a slate of courses carefully designed to educate students about EDI issues
- 4** Establish Faculty of Arts and Science teaching awards for individual faculty and institutional teams
- 5** Continue development of Mitacs Globalink and Accelerate clusters
- 6** Develop and implement a global research plan
- 7** Produce a digital course calendar and data analytics to deliver a “seamless” registration experience
- 8** Develop “Thrive@FAS” program for staff and faculty
- 9** Increase FAS Indigenous teaching and gathering spaces on campus
- 10** Explore different ways to engage with non-traditional donor communities
